

# Course change Factsheet

## R du ma d caod rap a nar as a upda ? i l h e a a i

Changes to study may affect a student's immigration permission to be in the UK. Any changes to study must be reported to the UKVI within ten working days. Course changes must meet the academic progression rules in the Student Route guidance. Any changes in end date may affect whether a student must leave the UK to re-apply for their Student Route visa. Any changes of location to our London campus within the first 12 months of your studies requires evidence of the necessary maintenance funds for London courses.

## R d p e p d a r a e d c a e m a a p a

If a student wishes to change course and they can still complete their studies within the validity of their current visa, they can change course provided:

- The student provides a valid personal statement detailing why they wish to change course.
- The new course is at the ce
